Keystone Technologies, LLC., P.O. Box 246, Ambler, PA 19002, (215) 283-2600 (hereinafter called "Keystone Technologies") offers a **Keystone LED Fixture Limited Warranty**. Keystone Technologies warrants that the fixtures listed below will be free of defects in material and workmanship and comply with their respective published specifications, from the date of installation, for the time periods outlined below and subject to the terms and conditions herein.

### LED FIXTURES

This warranty applies to fixtures that are operated 8,760 hours/year (equal to 24 hours/day, 365 days/year). If fixture fail to operate for the warranty period, Keystone will, at its sole discretion, provide a free replacement fixture (but no labor allowance) or issue a credit for future purchase. This warranty is not applicable if the lighting component is not installed in accordance with the National Electric Code, the Standards for Safety of Underwriters Laboratories, Inc., Standards for the American National Standards Institute, or the Canadian Standards Association. This warranty is also not applicable if the lighting component is not installed according to Keystone Technologies instructions or recommendations or if the product has been exposed to abnormal operating conditions including excessive temperatures.

LED Product Family	Keystone Standard LED Fixture Warranty Period <sup>2</sup>
PanelEdge LED Panels	7 Years <sup>1</sup>

<sup>1</sup> 7 Year warranty is only good if fixture operates within an environment that has an ambient temperature that is less than or equal to 25°C. If temperature is between 25°C and 40°C, the warranty period is reduced to 5 years.

<sup>2</sup> Fixture must be installed in accordance with manufacturer's instructions; operated within the electrical values shown on the fixture label; and used in environmental conditions (temperature, humidity and air movement) within the normal specified operating range of the system.

### TO MAKE A WARRANTY CLAIM

Retain the failed products and notify Keystone Technologies or authorized Keystone sales representative within 30 days of the failure. Please have Date Code information found on the fixture, and/or a proof of purchase available for reference. At the sole discretion of Keystone Technologies the user/customer may be required to return the failed product for analysis. Failure to follow this request shall void the warranty.

### TERMS AND CONDITIONS

- Keystone Technologies reserves the right to examine all failed fixtures and reserves the right to be the sole judge as to whether any fixtures are defective and covered under warranty.
